Frequently Asked Questions

Q. What kind of services do you provide?

A: IJN Health provides Nursing, CNA, HHA, Companions and Personal care Services. Our home care services are designed to provide assistance with activities that patients need help with in order to stay at home safely and with dignity. Our home care services may include fall prevention, medication and fluids reminders, light housekeeping, grooming or bathing assistance, and running errands.

Q: How quickly can home care services be provided/started?

A: In most cases services can be provided within a 48-hour period and often the same day.

Q: Do you provide services in assisted living facilities?

A: Yes. People sometimes discover that the assistance provided in an assisted living facility is not sufficient to enable them to remain independent. In these cases, IJN provides a qualified caregiver to make this possible in accordance with the facilities policies and procedures.

Q: Can I change the schedule if I have appointments to keep?

A: Schedule changes are easily accomplished with as little as one-week notice. Our philosophy is to put the patient's need first and to make the schedule work for the family, not the agency. We will do everything possible to make sure the schedule you want is the schedule you get.

Q: What kind of payment form do you accept?

A: We accept private pay and other insurances.

Q: How do I start home care services with IJN?

A: contact us by calling 302 239 0987 / 855 202 5993. We will have our Registered nurse come to your home and conduct a free no obligation assessment. We will then identify caregivers who have the skills, personality and availability to assist you. You will meet the caregiver and they will begin working for you.
